Why isn't my compilation showing in the outgoing submittals area?

09/16/2024 1:53 pm MDT

If you have generated your compilation but it is not showing up in the outgoing submittals area, please check the following.

The Compilation has been linked to the doc code?

Is the Doc Code Type set as a "Compilation" and have you linked it to the Compilation?

To link a compilation to the doc code, simply click the paperclip icon and choose the compilation to attach.

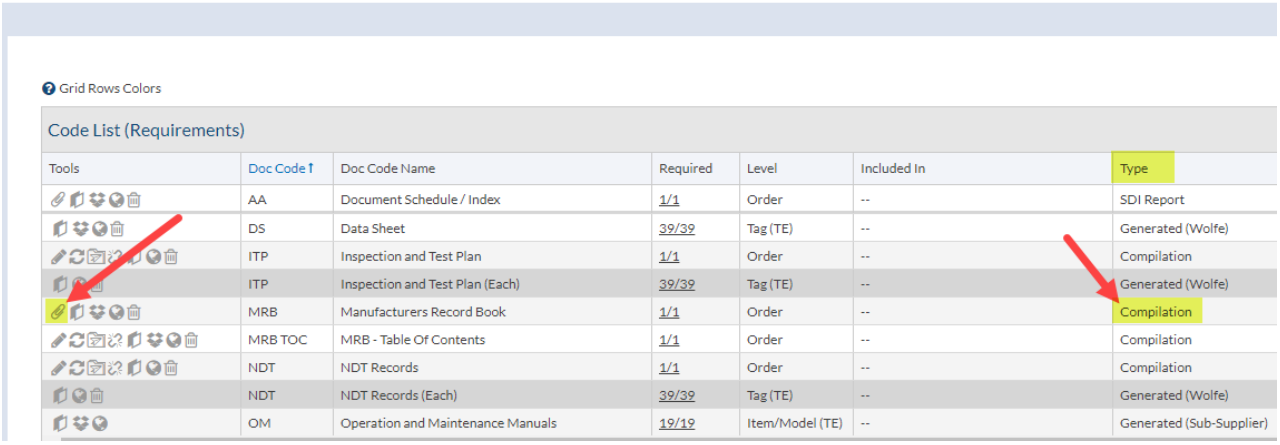
Code List (Requirements)



Grid Rows Colors

Code List (Requirements)

Tools	Doc Code	Doc Code Name	Required	Level	Included In	Type
	AA	Document Schedule / Index	1/1	Order	--	SDI Report
	DS	Data Sheet	39/39	Tag (TE)	--	Generated (Wolfe)
	ITP	Inspection and Test Plan	1/1	Order	--	Compilation
	ITP	Inspection and Test Plan (Each)	39/39	Tag (TE)	--	Generated (Wolfe)
	MRB	Manufacturers Record Book	1/1	Order	--	Compilation
	MRB TOC	MRB - Table Of Contents	1/1	Order	--	Compilation
	NDT	NDT Records	1/1	Order	--	Compilation
	NDT	NDT Records (Each)	39/39	Tag (TE)	--	Generated (Wolfe)
	OM	Operation and Maintenance Manuals	19/19	Item/Model (TE)	--	Generated (Sub-Supplier)

Is it available for submittal?

On the code list, under the tools column is an icon that when enabled, the compilation cannot be submitted until all documents are in fully completed status. To disable this, simply click the icon to allow the compilation to be submitted at any time, regardless of document statuses.
