

Disable Equipment

07/19/2024 1:18 pm EDT

To delete/disable equipment from your equipment list, there are a couple of options. For single changes, you can click the delete icon.

Equipment Equipment List

Correct spelling Import from Project

The screenshot shows a table titled "Tagged Equipment Units" with columns: Milestone, Select, Line No. (Wolfe AB09), Item/Model, Sub-Supplier, Tag No. I, Tools, and Product Group. A red circle with the number "1" and an arrow points to the "Disable" icon in the "Tools" column of the first row. Below the table, there are pagination controls and a "Show disabled items" checkbox.

Milestone	Select	Line No. (Wolfe AB09)	Item/Model	Sub-Supplier	Tag No. I	Tools	Product Group
	<input type="checkbox"/>	1	Transmitter-Gauge-HART	Transmitter Co	PT-101		Gauge
	<input type="checkbox"/>	2	Transmitter-Gauge-HART	Transmitter Co	PT-102		Gauge
	<input type="checkbox"/>	3	Transmitter-Gauge-HART	Transmitter Co	PT-103		Gauge
	<input type="checkbox"/>	4	Transmitter-Gauge-HART	Transmitter Co	PT-104		Gauge
	<input type="checkbox"/>	5	Transmitter-Gauge-HART	Transmitter Co	PT-105		Gauge
	<input type="checkbox"/>	6	Transmitter-Gauge-HART	Transmitter Co	PT-106		Gauge
	<input type="checkbox"/>	7	Transmitter-Gauge-HART	Transmitter Co	PT-107		Gauge
	<input type="checkbox"/>	8	Transmitter-Gauge-HART	Transmitter Co	PT-108		Gauge
	<input type="checkbox"/>	9	Transmitter-Gauge-HART	Transmitter Co	PT-109		Gauge
	<input type="checkbox"/>	10	Transmitter-Gauge-HART	Transmitter Co	PT-110		Gauge
	<input type="checkbox"/>	11	Transmitter-Gauge-HART	Transmitter Co	PT-111		Gauge
	<input type="checkbox"/>	15	Transmitter-Differential-HART	Transmitter Co	PT-112		Differential
	<input type="checkbox"/>	16	Transmitter-Differential-HART	Transmitter Co	PT-113		Differential
	<input type="checkbox"/>	17	Transmitter-Differential-HART	Transmitter Co	PT-114		Differential
	<input type="checkbox"/>	12	Transmitter-Differential-Fieldbus	Transmitter Co	PT-115		Differential
	<input type="checkbox"/>	13	Transmitter-Differential-Fieldbus	Transmitter Co	PT-116		Differential
	<input type="checkbox"/>	14	Transmitter-Differential-Fieldbus	Transmitter Co	PT-117		Differential
	<input type="checkbox"/>	18	Transmitter-Temperature-Fieldbus	Transmitter Co	TF-101		Temp
	<input type="checkbox"/>	19	Transmitter-Temperature-Fieldbus	Transmitter Co	TF-102		Temp
	<input type="checkbox"/>	20	Transmitter-Temperature-Fieldbus	Transmitter Co	TF-103		Temp

For multiple pieces of equipment, you can select them using the select boxes then click Disable Selected.

Equipment Equipment List

Correct spelling Import from Project

The screenshot shows the same "Tagged Equipment Units" table. A red circle with the number "1" and an arrow points to the "Select" checkboxes in the "Select" column for rows 18, 19, and 20. Another red circle with the number "2" and an arrow points to the "Disable Selected" button in the bottom right corner of the interface.

Milestone	Select	Line No. (Wolfe AB09)	Item/Model	Sub-Supplier	Tag No. I	Tools	Product Group
	<input type="checkbox"/>	1	Transmitter-Gauge-HART	Transmitter Co	PT-101		Gauge
	<input type="checkbox"/>	2	Transmitter-Gauge-HART	Transmitter Co	PT-102		Gauge
	<input type="checkbox"/>	3	Transmitter-Gauge-HART	Transmitter Co	PT-103		Gauge
	<input type="checkbox"/>	4	Transmitter-Gauge-HART	Transmitter Co	PT-104		Gauge
	<input type="checkbox"/>	5	Transmitter-Gauge-HART	Transmitter Co	PT-105		Gauge
	<input type="checkbox"/>	6	Transmitter-Gauge-HART	Transmitter Co	PT-106		Gauge
	<input type="checkbox"/>	7	Transmitter-Gauge-HART	Transmitter Co	PT-107		Gauge
	<input type="checkbox"/>	8	Transmitter-Gauge-HART	Transmitter Co	PT-108		Gauge
	<input type="checkbox"/>	9	Transmitter-Gauge-HART	Transmitter Co	PT-109		Gauge
	<input type="checkbox"/>	10	Transmitter-Gauge-HART	Transmitter Co	PT-110		Gauge
	<input type="checkbox"/>	11	Transmitter-Gauge-HART	Transmitter Co	PT-111		Gauge
	<input type="checkbox"/>	15	Transmitter-Differential-HART	Transmitter Co	PT-112		Differential
	<input type="checkbox"/>	16	Transmitter-Differential-HART	Transmitter Co	PT-113		Differential
	<input type="checkbox"/>	17	Transmitter-Differential-HART	Transmitter Co	PT-114		Differential
	<input type="checkbox"/>	12	Transmitter-Differential-Fieldbus	Transmitter Co	PT-115		Differential
	<input type="checkbox"/>	13	Transmitter-Differential-Fieldbus	Transmitter Co	PT-116		Differential
	<input type="checkbox"/>	14	Transmitter-Differential-Fieldbus	Transmitter Co	PT-117		Differential
	<input checked="" type="checkbox"/>	18	Transmitter-Temperature-Fieldbus	Transmitter Co	TF-101		Temp
	<input checked="" type="checkbox"/>	19	Transmitter-Temperature-Fieldbus	Transmitter Co	TF-102		Temp
	<input checked="" type="checkbox"/>	20	Transmitter-Temperature-Fieldbus	Transmitter Co	TF-103		Temp

Once you have disabled your equipment, you will no longer see it in the active equipment list. To view disabled equipment, click on the "Show disabled items" checkbox beneath the equipment list.

The screenshot shows a table titled 'Tagged Equipment Units' with columns: Milestone, Select, Line No. (Wolfs AB09), Item/Model, Sub-Supplier, Tag No. 1, Tools, and Product Group. The table lists 20 rows of equipment. A red arrow points to the 'Show disabled items' checkbox at the bottom left of the table area.

Milestone	Select	Line No. (Wolfs AB09)	Item/Model	Sub-Supplier	Tag No. 1	Tools	Product Group
	<input type="checkbox"/>	1	Transmitter-Gauge-HART	Transmitter Co	PT-101		Gauge
	<input type="checkbox"/>	2	Transmitter-Gauge-HART	Transmitter Co	PT-102		Gauge
	<input type="checkbox"/>	3	Transmitter-Gauge-HART	Transmitter Co	PT-103		Gauge
	<input type="checkbox"/>	4	Transmitter-Gauge-HART	Transmitter Co	PT-104		Gauge
	<input type="checkbox"/>	5	Transmitter-Gauge-HART	Transmitter Co	PT-105		Gauge
	<input type="checkbox"/>	6	Transmitter-Gauge-HART	Transmitter Co	PT-106		Gauge
	<input type="checkbox"/>	7	Transmitter-Gauge-HART	Transmitter Co	PT-107		Gauge
	<input type="checkbox"/>	8	Transmitter-Gauge-HART	Transmitter Co	PT-108		Gauge
	<input type="checkbox"/>	9	Transmitter-Gauge-HART	Transmitter Co	PT-109		Gauge
	<input type="checkbox"/>	10	Transmitter-Gauge-HART	Transmitter Co	PT-110		Gauge
	<input type="checkbox"/>	11	Transmitter-Gauge-HART	Transmitter Co	PT-111		Gauge
	<input type="checkbox"/>	15	Transmitter-Differential-HART	Transmitter Co	PT-112		Differential
	<input type="checkbox"/>	16	Transmitter-Differential-HART	Transmitter Co	PT-113		Differential
	<input type="checkbox"/>	17	Transmitter-Differential-HART	Transmitter Co	PT-114		Differential
	<input type="checkbox"/>	12	Transmitter-Differential-Fieldbus	Transmitter Co	PT-115		Differential
	<input type="checkbox"/>	13	Transmitter-Differential-Fieldbus	Transmitter Co	PT-116		Differential
	<input type="checkbox"/>	14	Transmitter-Differential-Fieldbus	Transmitter Co	PT-117		Differential
	<input type="checkbox"/>	18	Transmitter-Temperature-Fieldbus	Transmitter Co	TT-101		Temp
	<input type="checkbox"/>	19	Transmitter-Temperature-Fieldbus	Transmitter Co	TT-102		Temp
	<input type="checkbox"/>	20	Transmitter-Temperature-Fieldbus	Transmitter Co	TT-103		Temp

History is available for disabled items. It records the change, the user, and timestamp to enable reconstruction of events.

The screenshot shows the 'Tagged Equipment Units' table with a single row visible: TT-104, Transmitter-Temperature-Fieldbus. A 'History of changes' dialog box is open, showing a table of changes. A red arrow points to the 'Tools' icon for item TT-104 in the main table.

Date	User	System Comment	Line No. (Wolfs AB09)	Line No. (Acme)	Item/Model	Tag No.	PO No. (Acme)
2022-04-19 07:13:29	Kirstie Reid	Equipment is disabled	21		Transmitter-Temperature-Fieldbus	TT-104a	
2022-04-19 07:11:42	Kirstie Reid	Equipment is changed	21		Transmitter-Temperature-Fieldbus	TT-104a	
2021-07-21 15:25:12	Kirstie Reid	Equipment is added	21		Transmitter-Temperature-Fieldbus	TT-104	

The option to re-enable previously disabled equipment is also available on this screen.

The screenshot shows the 'Tagged Equipment Units' table with a single row visible: TT-104a, Transmitter-Temperature-Fieldbus. A red arrow points to the 'Enable' button in the 'Tools' column.

For more information on editing the equipment list, see our article [here](#).
