

Expected cover pages: In from Supplier/internal

09/16/2024 1:37 pm MDT

When processing files returned from the customer, DocBoss expects that the page count has NOT changed. All details are explained [here](#).

BUT, when processing documents returned from supplier default "expected cover pages" value is always set to "0" regardless how many cover pages was SENT to supplier.

So - even if a document is sent with a cover page assigned, it will always default to expect "0" to be on return document.

Usually suppliers don't add a cover page when returning documents but if some suppliers do add cover pages, the default can be changed to value 1 (or the number of cover pages they usually add to the documents).

Edit Company

Name: *	<input type="text" value="ABB"/>		
Short Name: *	<input type="text" value="ABB"/>		
Wolfe PA External Reference	<input type="text"/>		
Phone:	<input type="text"/>	Fax:	<input type="text"/>
Is Sub-Supplier?	<input checked="" type="checkbox"/>	Is Customer?	<input type="checkbox"/>
Default Cover Page Count	<input type="text" value="0"/>		

During processing the incoming file from the supplier, information about actual pages and expected pages for the document and for the cover page will appear in the Processing pop-up.

If incoming pages doesn't match, a warning message will show the expected pages in red:

Pages in Document
Total pages in incoming document: 2 ▲ 1 expected page
How many of them are cover pages? 0 ✔ Sent 1 page, Expect 0 pages
How many of them are comment pages? 0

Status & Routing
Stage List: IFI
Current Stage: IFI
Customer

Buttons: Cancel, Match Only, Match & Apply Status & Routing

The same is applicable when the files are processed in bulk. If the expected document pages or cover pages don't match with the actual pages the line will be highlighted in red and if you hover over a warning message will inform about the error.

The actual pages and expected pages can be checked for the document and for the cover page in the grid.

Assign Status to Document Cards

Unprocessed 1 | Processed 0

Unexpected Counts Only | Grid Row Colors

Wolfe PA Rev #	Status	Doc Code	Doc Code Name	Incoming Page Count	Expected Pages	Expected Cover Pages	Sent Cover Pages
